

Customer Testimonials of ZENworks Integration with *everything* HelpDesk

“eHD has greatly increased communication with our customers and enabled us to better allocate our time. The fact that HelpDesk integrates with eDir, GroupWise and ZENworks keeps important information accurate while simplifying administration of the database.”

- Cori Chappell, Novell Administrator Texas State Technical College

“We are a very large school district, with 36,000 students, 10,000 employees, 17,000 Computers, 5,000 printers and peripheral device. I highly recommend everything HelpDesk because of the ease of use, not to mention the integration with ZEN is amazing!”
